# It's True, S.B.H.S. Cards Have Most Fun

Fun expresses that certain aspect of life which is known as being a Card City citizen. The Pacific-Berdoo game and all its antics demonstrate the true spirit and excitement of being a CARDINAL.

Besides screaming at the top of your lungs at every game from football to baseball, eating the delicious food in the vending machines, trying out for school plays, writing notes during class, and getting an A+ on a term paper, everyone enjoys swinging assemblies, throwing confetti, caravaning in cars, getting a call slip before a test, and chanting the school hymn.

Laughter and excitement brighten each day at S.B.H.S. Activities never cease, each citizen helps, with adventure to plan his and his friend's futures.

Knowledge can only be acquired when a student is at his best, and every CARDINAL is the best. Truthfully, "Fun" is one of the most important factors of education at San Bernardino High School.

Patti Pjerron, Editor

# 1967 Tyro Dedicated to Miss Myers

One of the most important reasons why Cards have more fun is the lady who handles the financial aspect of S.B.H.S. activities. Almost any hour of the school day she can be found in her glass-walled office in the student store; she is a familiar sight to the students. This lady is Cardinal City's financial secretary Miss Ruth Myers.

Miss Myers has been at S.B.H.S. for 25 years, starting as a secretary in September of 1942 and assuming the position of account clerk in 1952. As financial secretary, she has been and is an indispensable part of S.B.H.S., keeping financial records for the entire school, conferring with student council, answering their questions, an acting as a financial go-between for students and the council.

Her invaluable service plays a large part, not only in the running of the school, but also in the life of each Card citizen, from his first bewildering days as a sophomore to the excitement of approaching graduation. She issues lockers, sells A.S.B. cards, annuals, prom and homecoming tickets, class rings, and graduation announcements; rents caps and gowns; collects money for the junior candy sale; handles club funds; and runs the Lost and Found. There is simply not enough room to list all she does.

She does a tremendous job, and yet Miss Myers is always ready with helpfulness, patience, and a smile for any student who comes into her office.

Said one, "She's a nice lady."

"I don't know what we'd do without her," said another. The students of San Bernardino High School agree.

The staff of the 1967 Tyro Annual, as well as the entire student body, would like to express their special thanks to Miss Myers by dedicating this book to her in appreciation for her many years of outstanding service, and for making it possible to say, "True, Cardinals have more fun."

# Goldman And Henry Add Spark To Spirit

San Bernardino High School's 1966 Pep groups were supplemented by two male yell leaders, Goldman Jacobs and Henry Wong, who, along with six equally talented cheerleaders, helped Danielle Newby promote spirit superior.. The other cheerleaders, Susie Quiel, Candy Harris, Nikki Parish, Jean McDonnell, and Shirley Williams, continually cheered our teams with contagious enthusiasm.

Thanks to the overwhelming enthusiasm of Card City's cheerleaders and citizens, our 1967 rooter buses numbered up to three times as many as previous years. Enthusiasm and spirit filled the stands and bleachers, giving our teams excellent moral support. New cheers were developed and practiced to perfection, adding originality to games and assemblies.

Participating in many parades and marches our cheerleaders, along with Drill Team and other Pep groups, achieved many honors.

The entire Card City student body is very thankful to these eight—Danielle, Susie, Candy, Nikki, Shirley, Jean, Henry, and Goldman—for making 1967 an outstanding year for school spirit and enthusiasm and for giving our teams support superior to previous years. We extend to them the credit they deserve.

# Pom Pon Girls Add Color And Life To SBHS

Adding color, spirit, and bounce to the 1966-67 season were the varsity Pom Pon girls. They presented entertainment on both the football field and basketball courts throughout the year. Along with these activities, the Poms marched with the cheerleaders, flags, and Drill Team in parades and participated in Pom Pon competition for all of Southern California schools.

Girls who wish to be Poms must try out before a panel of judges who rate them on posture, grooming, and ability. These girls, who earned their positions and fulfilled them well, are congratulated for an outstanding year.

# Flags, Baton, And Mascot Promote Pep

This year's mascot, Janet Walters, spread color and spirit to every student at SBHS. By working out routines with the cheerleaders, Janet enlivens the games with her peppy personality.

Our baton, Cathy Mast, also added glitter to the school athletic activities.

Flags promoted pep as well as spirit with their lively and exciting routines.

# 1967 Drill Team Steps High . . .

San Bernardino High School's 1967 Drill Team, sponsored by Miss Ruth Kaiser and Miss Elizabeth Adey, was a tremendous success. The hardworking Drill Team presented unique routines at both home and away games, providing outstanding moral support to teams and representing the school excellently. Drill Team participated in numerous parades, marches, and coronations, and earned well-deserved recognition throughout Southern California. Practicing daily after school, they achieved perfection.

1967 was an especially original year for Drill Team. At halftime shows during the Christmas Season they presented a fabulous display with flashlights forming a Christmas tree. A classic umbrella routine was also perfected and presented. Much credit goes to these girls, who, by hard work, represented SBHS outstandingly.

# Council Dream Becomes Reality

Card City's unique structure once again paved the way for a unique council. This year's council, hailed by Advisor Mr. Bryan Burke as the most productive thus far, made great strides in many fields of endeavor.

In one instance a dream became a reality, as CCAC was born. For those who had a genuine interest in their school but no governing position, CCAC gave them a chance to rally behind the Student Council.

Not only did the 1967 Student Council function with efficiency, but bred personality into everyday council duties. This was a year of successful drives, dances, and full-length movies, a new addition to Card City activities. Much well-deserved credit goes to Card City's 1966-'67 Student Council.

# CCC Links Students With Student Council

Card City Congress, headed by C.C.C. President Jed Zelman, is composed of elected representatives from all first period classes. C.C.C. links the students with the activities of Student Council. The representatives attend monthly meetings, relate their discussions to their classes, and take suggestions on improving the school. C.C.C. sponsors various activities, including sports nights and a tricycle race. The 1967 Card City Congress has completed an outstanding year.

Zelman gets attention of all representatives as he reads the minutes.

# CCAC Newest Addition To Cardinal Family

The newly formed Card City Activities Committee, better known as CCAC has proven to be a very worthwhile club on campus. Acting as a branch of Student Council, CCAC performs many tedious but often enjoyable duties. Painting posters, making dance decorations, fixing sandwiches for the opposing teams are a few of the many tasks undertaken by this committee. CCAC is composed of those students who are not office holders but wish to give the school a part of their time.

# 1967 Annual Staff Creates A Winner

The annual staff has completed another active year and created another outstanding annual. Advised by Mr. John Regalado, the staff worked hard to publish a yearbook comparable to previous years.

Although the staff had their ups and downs concerning pictures, proof sheets, and various other problems, they accepted responsibility and settled down, determined to make this annual exceptional. IS IT TRUE, CARDS HAVE MORE FUN was the theme chosen by the editor and staff; everything was made to fit this theme.

The fourteen members of the annual staff have benefitted greatly, not only by giving this book to the students, but by practicing and learning the skills involved in putting out a yearbook. Each member of the staff, individually, deserves an enormous amount of credit, as do advisor John Regalado and editor Patti Pjerrou.

# Peer Gynt, The Visit Among Many Excellent Productions

Six outstanding productions were staged this year by the Drama department. With the help of directors George Nason and Eloise Birky, Mr. Jerome Fallert succeeded in producing such quality productions as Family Theatre's "Snow White and the Seven Dwarfs" and "Winnie the Pooh." "Jerome Jiraffe," a fabulous student creation by Mike Ash, staged its premier in early February.

Thespians troupe No. 148 backed three plays this year. "The Visit," written by Fredrich Duermentt, was the first dramatic play of the year, starring Kelly Lorber and Pat Briggs. In February, Peer Gynt, which is the largest part written for an actor, was uniquely tackled by talented Dave Gong. Other cast members included Marvin Carter, Patti Pjerrou, Margaret Marchioli, Danielle Newby, Sue Portello, Val Dewitt, Sandy O'Connor.

"Oklahoma!" a musical comedy, was presented in the spring by both the music and drama departments.

Kelly Lorber and Pat Briggs relive the old days in an outstanding play, The Visit.

Kelly Lorber, Gary Finch, Dave Gong, Gil Jasper, and Monty Whittacre discuss Claire Zaccinacian's visit to her home town of Gullen

Connie Mann played the part of the Fairy Princess in Jerome Jiraffe, a play written by Mike Ash.

Dave Gong as Peer Gynt, and Ethel Goolsby as the Hag.

Peer tells Solveig, portrayed by Val DeWitt, of his undying love.

Mother Aase, Suzanne Portello, tells Kari, Augusta Cook, of her misfortune.

Peer becomes acquainted with the Troll King, Marvin Carter, as Patti Pjerrou looks on.

Peer enjoys a romp with the Saeter girls, Cindy Russell, Maureen Harte, and Debbie Stefanek.

Kathy Bartley played the title role in SNOW WHITE, Steve Hernandez also portrayed a major character.

At left are six of the seven dwarfs. Drama classes were responsible for the excellent costuming.

# Musical Dept. Rates High

The SBHS Band, Orchestra, and Dance Band have proven to be the best in the city. Under the direction of Mr. Alan U'Ren, these groups put in many long hours of practice in order to perform with perfection.

This year's band added sparkle and spice to our home football games. Their Winter Carnival was a great success and a job well done. Led by drum majors, Dave and Dan Rodriquez, the band has had a fine year.

# Mr. Bloom Brings A Spark To Singing

The A Cappella, Girl's Choir and the Boy's Choir are the main choral groups on the San Bernardino campus.

Directed by Mrs. Bloom, the choirs have performed not only in Cardinal City, but also at many civic functions.

The annual Christmas assembly and Spring Concert are only two of many events in which they participated.

SBHS is truly grateful to Mr. Bloom for going with his first year at the school and making the choir a big success. The tremendous achievement of the choir was also made possible by the hard-working students.

# Card Citizens Welcome Julie Macagne And Juan Carlos Alvarez

Card City welcomed two outstanding foreign exchange students from different corners of the world, Julie Macagne and Juan Carlos Alvarez.

Julie Macagne, from the Philippines, added much to San Bernardino High School with her bright smile and sparkling personality. Julie made friends easily and enjoyed her stay in San Bernardino immensely. Julie lived with Pam and Pat Nelson.

Juan Carlos Alvarez, also an active member of our Student Council, made many valuable acquaintances which will be memorable to him for years. Richard Gabriel, his brother for a year, introduced him to a number of people. These two additions to SBHS added much to Cardinal City. We hope they enjoyed us as as we did them.

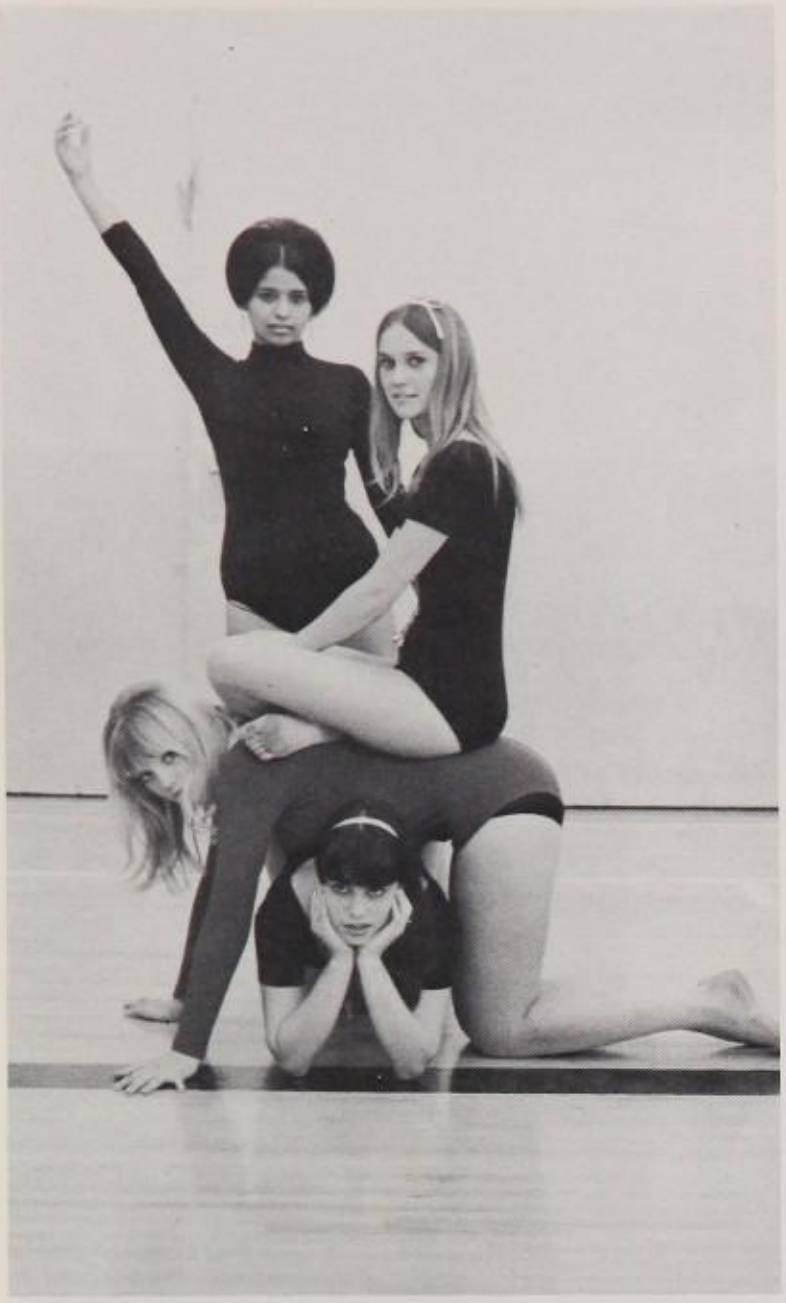
# Modern Dance Class Learns New Routines

Modern Dance is the Senior gym class that involves coordination and grace as well as fun and amusements. Warm up exercises begin each day and once a week a problem is assigned to be presented to the class. The dance class, which is available only for Seniors, requires complete attention to instructor Mrs. Barbara Neel in order to perform the exercises properly. The Modern Dance class appeared in "Peer Gynt" as handmaidens and trolls.

Putting together various positions can result in a very interesting pattern.

Backbends and splits are hard to perform but when achieved, a graceful pose can be arranged.

Relaxation often comes after a vigorous day's work.



Nancy Mincheff, Jeanie Dikeman, Stephanie Anton and Kathy McCormick show that they can have fun in their dance class.

The best dancers show balance as well as poise in creating unusual positions.

Stretches and reaches can make a beautiful pose.

Mrs. Neel leads her class in a "walk" down the gym floor.

Rich Hebert, escorted by debonair Geri Orton, and Ted Radich, escorted by Fullback Val DeWitt, made charming homecoming queens in Tyro Annual assembly.

# Linda Johnson Was Responsible For Fabulous Assemblies

This year's assemblies were both interesting and original. Pep assemblies were especially exciting, having skits ridiculing opposing schools and very talented actors, such as Mike Tappan, at right, representing the opposite sex. John Goddard and General Motors also presented assemblies.

Spectators found Mike Tappan lovely although he still hasn't learned to sit like a lady!

# Negative Doubt Turns To Positive Optimism

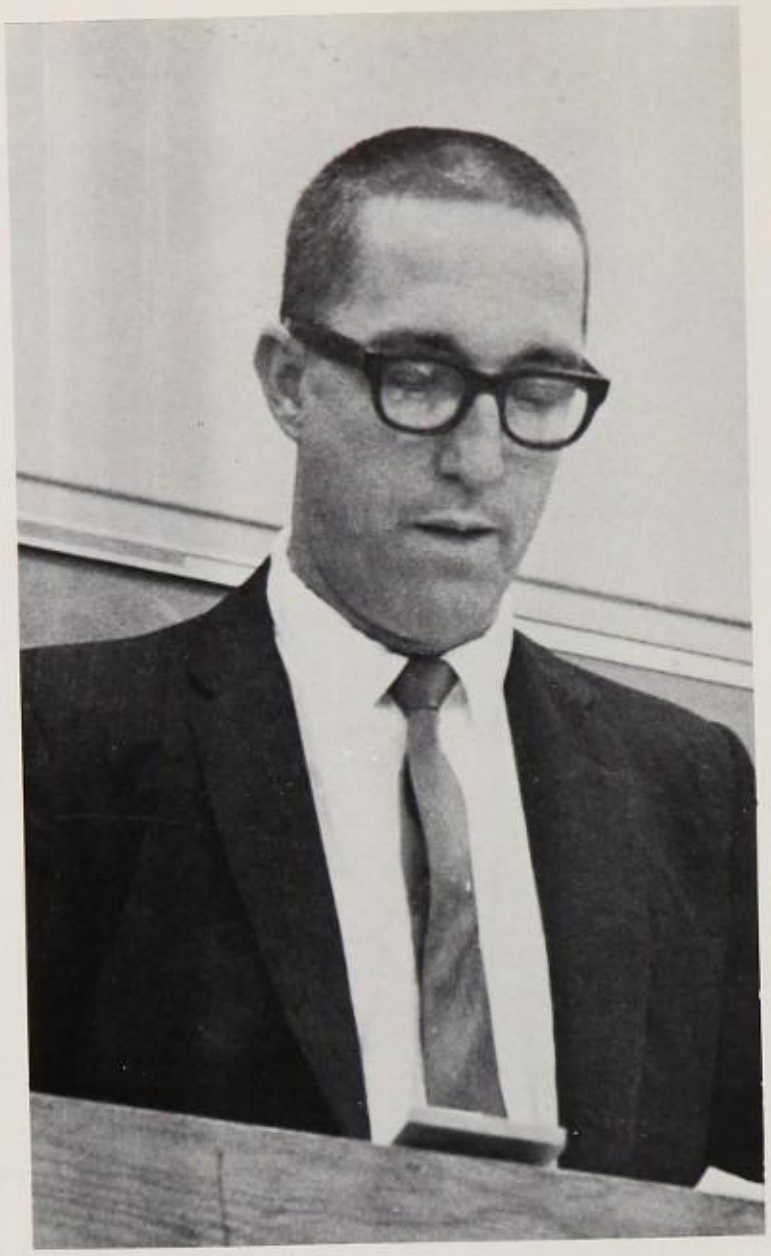
The year began with suspicion and doubt hovering over the buildings that form the campus of Cardinal City. Much of it reflected the social problems existing throughout our great nation. But, as in our country, reason prevailed among the citizens of Cardinal City and the school year developed into one of the finest in the long history of San Bernardino High School.

There was no doubt among the students, faculty, and interested parents that the school spirit displayed at Cardinal City events reached a new high this year.

This same spirit did not terminate with the athletic part of campus life, but extended itself to help formulate the theme for this annual — "True Cards Have More Fun." Our student body members seemed to enjoy themselves in every undertaking and sought high standards of success in journalism, music, drama, social events and the many other areas of our multi-faceted program.

A challenge did exist in the fall and it was faced. What would have had a negative effect on this high school for many years to come was taken in stride and quickly forgotten. To you members of the Senior Class who helped stand up to this test, we salute you.

G. Keith Dolan
Principal



# Farewell

*"I've grown to love the kids and people I've worked with."*

*Next fall we will be greeting old faces and new faces, but one will be missing, our beloved principal, Dr. G. Keith Dolan.*

*Dr. Dolan has announced his resignation in order to accept the post of Coordinator of Secondary Education at California State College, San Bernardino. This post will involve teacher training and student teaching on the secondary level.*

*In discussing Dr. Dolan's resignation, Superintendent F. Eugene Mueller said, "Dr. Dolan has been a real expert in his field. He has done an outstanding job, and it will be very difficult to replace him."*

*Dr. Dolan came to San Bernardino in 1960 from San Diego County where he served as principal of La Mesa Junior High School. Dr. Dolan has been a teacher, a counselor, a vice principal and a principal.*

*He received his bachelor's degree at Pepperdine College and his master's and doctorate from U.C.L.A. Dr. Dolan is a native of Los Angeles and has spent his career in education in California.*

*Commenting on giving up his post, Dr. Dolan said, "in the seven years I've been here I have grown to love the kids and the people with whom I've worked."*

*The entire student body and faculty owes very much to Dr. Dolan. He has been an inspirational leader and will be missed, but we look forward to the greater contribution he will make at California State College, San Bernardino.*

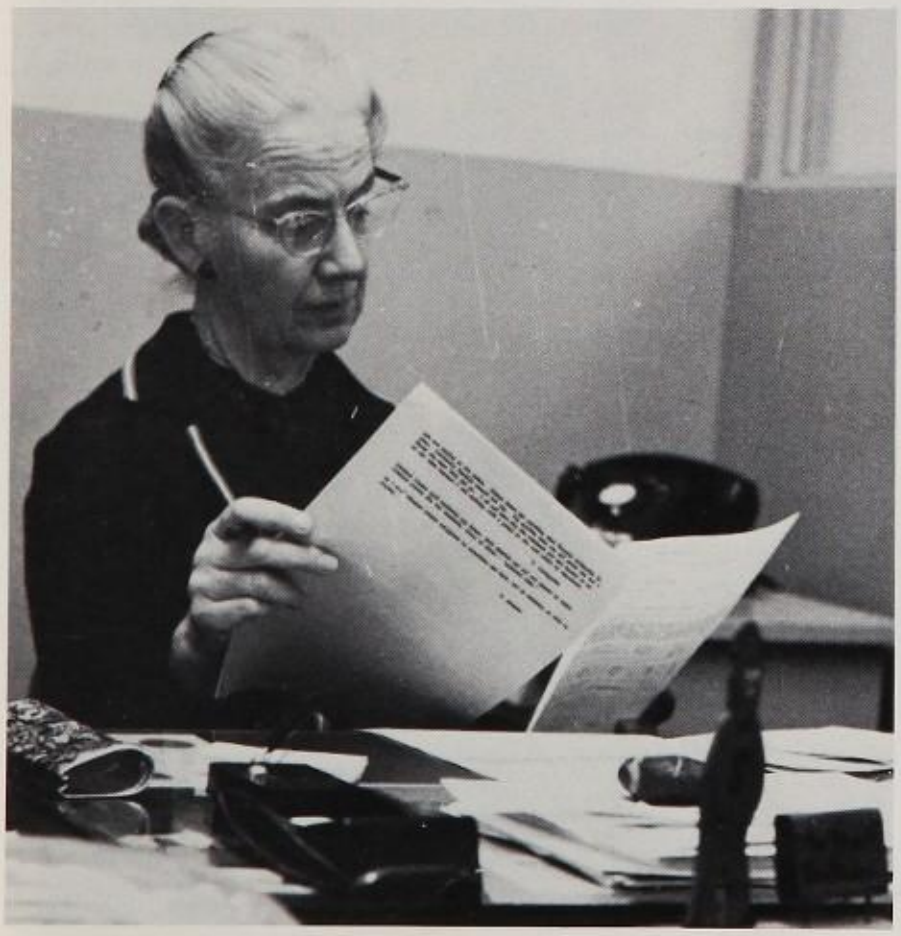
Mr. Weber is the director of athletics.

Cardinal City has just witnessed one of the most successful years in its colorful history. This accomplishment has occurred in scholastic, athletic and activity endeavors. There are two primary reasons for the growth and achievements of our student body. The students have been ready and willing to accept their responsibilities and to strive for common goals. The faculty has sacrificially offered the necessary guidance. Congratulations to each and every one for a job well done.



Miss Dimock is the director of Guidance and Curriculum.

I am happy to be associated with San Bernardino High School this year. I have enjoyed renewing old acquaintances and making new ones. The cooperation, given to me by students, parents, faculty, and administration, has been very gratifying. As our seniors leave Cardinal City, I would sincerely hope that their graduation would mark the beginning of a rich and new experience. To continue your education or to begin employment as useful and productive citizens is, indeed, a challenge. With the "groundwork" behind you in high school, I am confident you can meet this challenge and contribute to our democratic way of life. Best wishes to you!

Mr. Glass is director of Student Activities.

This was the year of WASC! New concepts and creative approaches to curriculum and guidance have taken place in Cardinal City in the last five years. Innovations in curriculum include courses in Western Civilization, Sociology, Economics, Humanities, French 3 and 4, German 3, Coed Adaptive Physical Education, Physiology Lab, Introduction to Distributive Education, World-Literature, etc. Vocational guidance and placement have been made available to all students because of a coordinated District program.

# Ostoich, Whitehouse, Groos And Dahlseid Lead Senior Class

To the graduating class of 1967 this annual represents the hopes, dreams, disappointments and successes of three years at Cardinal City. As each senior turns these pages, memoirs of his high school years will be recalled to him.

This year the senior class was capably led by President Mark Ostoich who was assisted by Vice-President Val Whitehouse. Judy Groos held the office of Secretary and Lynda Dahlseid was Social Chairman. With these four people leading the class of 1967 the senior activities proved to be both successful and memorable. Senior sponsors were chairman Mrs. Kathryn Liner, Mr. Blair Uhl, Mrs. Yvette Battin, and Miss Joan Woodward. The senior class counselors Mrs. Mary Jo Poindexter and Mr. Gerald Ehlers were kept busy advising students on colleges, filling out scholarship forms and making sure that deadlines were met.

The first event of the year was football homecoming. Though the game was lost in a heartbreaking defeat, the dance proved to be a success. Held at

the San Franciscan, it was the first in several years to net a profit. Susie Quiel reigned over the Homecoming activities as queen. Her court included first princess Janis Findlay, Chris Bessette, Lynda Dahlseid, Sally Kochendorfer, Loretta Nesbitt and Shirley Williams.

The Basketball Homecoming proved to be as successful as the football activities. The Cardinal team defeated Redlands in the most thrilling game of the year. With eight seconds left in the game, San Bernardino came from behind to win the game 47-46. The victory marked the first Homecoming win in three years. Lovely Linda Johnson reigned over the Basketball Homecoming activities. Danielle Newby was crowned first princess and Janet Walters, Judy Groos, Sue Otsen, Nikki Parish, and Anna Nevares were the other candidates.

The seniors of 1967 made commendable scholastic achievements. Kelley Lorber and Bob Driskell were Merit Scholarship Semi-finalist winners. The challenge bowl team was composed of eight seniors: Dave Gong, Jeff Cohen, Kelley Lorber, Tom Spratt, Carol Gaston, Dave Sloan, Dennis Anderson, and Alfred Palazzo. Three seniors, Jeff Cohen, Dave Gong, and Kelley Lorber, were members on the team during their junior and senior years. The top ten students rated by grade point average were Pete Sigwardt, Pam Nelson, Carol Gaston, Pat Nelson, Suzanne Portello, Mayor Dave Sloan, Tom Spratt, Jeff Cohen, Judy Groos and Bill Hong.

As 1966-67 ended, it was apparent that the graduating class was among the most talented and successful to graduate from San Bernardino High School. The accomplishments on the field of academics and sports, if listed, would take several pages to cover. The school spirit which the seniors exhibited made every activity successful and memorable.

In an age of rebellion, riot, and bizarre individualism, the graduating class of 1967 demonstrated that there are teenagers who still desire to make a positive contribution while seeking an identity. The class of 1967, because of its contributions and accomplishments, shall be long remembered in the history of San Bernardino High School.

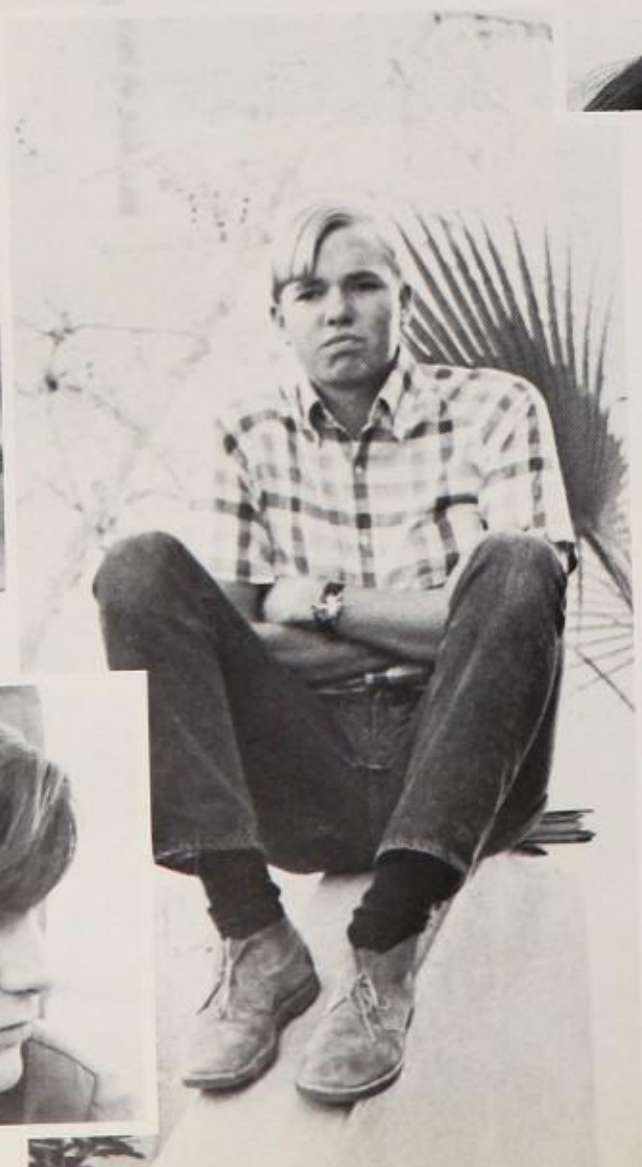
# Fun Is The Junior's Slogan, But Hard Work Is His Game



The Junior Class got money-making projects off to an early start this year with a car wash in August. As the year progressed, the following project was the Victory Dance for the football game in October. It was held in the cafeteria and drew a large crowd.

The traditional Junior Class Candy Sale was also held in October. Prizes totalling $200.00 were offered to the top thirty-one salesmen. The two top sellers were Bob Stewart and Chris Pankau. The sale was a great success and put the Junior class financially "over the top" for money necessary to pay for the Junior-Senior Prom.

Meetings for this year's prom began in January but great things did not begin to happen until March. For a change from previous years, the Prom Committee selected "Showboat" as the theme.

Sponsors were another important part of the class of juniors. Mr. Marvin Swan, Miss Earlena Baskett, Mr. Stanley Lund, and Mrs. Marcia Ford helped to organize the many activities for the class. Juniors were pleased to be backed by these four willing people who gave so much time and thought to the making of a better Junior Class.

The two counselors for the class were Mrs. Bogatin and Mr. Lillienthal. Both have worked with the juniors since they were sophomores. Students have always found the counselors helpful in changing schedules to fit their needs. Counselors for the Junior Class were always willing to offer help with personal problems or give suggestions to students to better themselves. Counselors assisted and urged students to take college preparatory exams which would enable them to take steps towards further education.

The students of the Junior Class of "1967" will always remember and appreciate the leaders of their class. They have taken the first big step before becoming the seniors that they have waited so long to be. The leaders and the cooperation of the students made this possible. The Juniors can be proud of themselves and of their great school, San Bernardino High.

The Junior Class had several people backing it up all the way. The class president, Rick Bennett, helped to stir up enthusiasm in his fellow classmates and led them through "1967."

Vince VanValer was junior class vice-president during the past year. He gave Rick Bennett his full support to blend recreation with work to make "67" a year well worth remembering.

Dawna Carel, secretary of the class, kept her records straight and her spirit high for success. Dawna was also a member of the school pep groups. Both jobs kept her busy during the year.

Judie Doyle fudfilled her office as social chairman. She pushed the social events along such as dances and the candy sale. She was also an officer.

Together, these officers gave the Junior Class the boost it needed to spell fun and success all the way through the entire year. They had lead roles and they played them very well.

Teachers prodded students to do their best; urged them to acknowledge that future successes depended upon progresses. Juniors will continue to look back and remember the teachers.

# Sophomore Officers Lead Their Class Into An Exciting Year

An ambitious Sophomore Class showed interest and exuberance in their new school. They participated, mixed, and joined in the fun at Card City.

The traditional Sophomore Class Candy Cane sale was a huge success. Students began selling in November and concluded in December. A profit amounting to over $400 was netted. With a part of the profit, the Sophs decided to sponsor an orphan in a foreign country. The candy sale for this year collected more than any other previous Sophomore Class. The officers developed a new system for the sale which collected money as canes were checked out. Annette Staff won $10 for selling 37 boxes of candy.

The Sophomore Class sponsored a dance in the Spring on April 14.

The Sophomores had a tremendous interest in their class this year. They attended athletic events in large numbers and gave support to all activities. Active officers sparked enthusiasm.

The officers this year were Danny Spratt, Lynne Reed, Janise Carter, and Kyle Strand. Danny was the class president, handling class organization. He also supported the April dance.

Lynne, who was vice-president, managed the candy sale and conducted meetings when the president was unable to attend the sessions.

Secretary, Janise Carter, was the Student Council Representative for the Sophomore Class. She handled the minutes at the meetings and worked hard for the success of the class.

Kyle Strand, the social chairman for the class, managed the Spring Dance and was chairman of the Sophomore Social Council. She also organized the Sophomore scrap book.

The Social Council organized in November and acted as advisory body for the Sophomore Officers. The council made decisions about sponsoring foreign children and also worked on dances for the entire school.

The class was backed by four sponsors. These were Mrs. Welch. Miss Korth, Mr. George and Mr. McCollum. They worked extremely hard for the success of the class and sponsored the works that were done by the class.

The counselors for the class were Miss Bonnie Brownell and Mr. John Regalado. They gave the advice and assisted the Sophomores with schedule changes and personal problems. They also gave needed assistance.

The Sophomores were true to their class and to their school. They added life and fun to Card City. Their lively activities held Card City together and strengthened the SBHS student body.

Sophomores will never forget the year when they joined the fun at San Bernardino High School. They have their counselors, teachers, sponsors, and themselves to thank for the great year of 1967. Their officers that they elected led them to the successful and memorable year at their high school.

The Sophs had more fun in 1967!

Quarterback George Coleman rolls around end in search of a receiver during a hard practice session.

Coach Bill Fox' 1966 Varsity football team finished its campaign with victories over Ramona, 12-6, and Fontana, 32-19. The two wins, coupled with league losses, earned the Cardinals a tie for third place in the CBL. The Cards rode a seven game losing streak prior to their victory skein.

Coach Fox, aided by Coaches Hugh Wise, Hank Rohn, Bob Betty, and Gary Troyer, lauded the team for its great improvement in their 13-12 loss to Bishop Amat and its 20-14 loss to Pacific. Good defense and an accelerated offense were prime factors in the late season improvement.

At the Fall Awards Banquet, John Cain was named the most valuable player. Sam Cook and Dave Sloan were elected co-captains. Bill Woodruff was honored as the most valuable junior and Terry Johnson won the coveted sportsmanship award.

Coach Rohn applauds as SBHS gridders scored a touchdown in the Pacific game.

The Cards ran up 8 first downs to 2 for Eisenhower, but San Bernardino lost its football season opener, 13-0.

John Cain, Marvin Carter, and Sam Cook led the Redbird ground attack, but the game was lost on the first play from scrimmage. McKinney lofted a 53 yard TD pass to Preston to put the game out of reach after minutes of play.

The SBHS varsity golf team, coached by Dick Adair, saw many new faces in the 67 season. Two seniors led the golf team this year, Gary Stone and Bob Stretch. The team also consisted of two juniors and four sophomores. Biggest rivals of the year for SBHS were Redlands and Pacific. The golf team had a fine year of competition.

# Cards Point for CBL Track Championship

*Ed. note. A final deadline of April 18, prevents your editor from doing justice to what appears to be the best track team in the history of SBHS.*

On a rainy Tuesday, April 18, San Bernardino's proud thinclads thoroughly trounced cross town rivals Pacific Pirates for their fourth CBL victory in a row. Only the Fontana Steelers stood in their way of an undisputed claim to the CBL crown. On their way to the crown Card City outscored all comers by 38½ points to win the meet. Then the Redbirds sent their star shot putter Mark Ostoich to the Bellflower Relays to set a new California record of 64 feet, 4½ inches. A pulled muscle by John Cain gave L.A. powerhouse, Fremont High, the edge in a 65-48 loss.

Starting the '67 season with Steeler Relays, SBHS won with 38½ points.

In the Bellflower Relays we set a record in the Class A 880 relay with a record breaking time of 1:29.4 and also the 440 relay with a time of 43.1 —43.3 was the record set by SBHS a long time ago. The season is not quite over yet; we have a meet with Fontana on April 25. If we win this meet we will be CBL champs for '66-'67.

Although the nation's No. 1 prep shot putter Mark Ostoich had an off day that permitted Fontana's Ernie Cathcart to outdistance him 55-0 to 60-4½, San Bernardino's Redbirds nevertheless scored 74½ to 38½.

The victory over the Steelers gave the Redbirds undisputed control of thinclad ranks in the Inland Empire.

Coach Rohn's boys looked for new worlds to conquer as they face all comers in the Riverside Spike-o-rama, and the California State Finals.

Additional strength for the Cards was expected with the return of John Cain in the 100-yard dash and the 220.

Curt Thompson ran a fast 880 to bring a first to the Cards. This race set the season's fastest time, 1:57.5.

# Sophs Improve On Winning

Cards' Sophomore baseball team had a great year with a 7-3 record three quarters of the way through the season. Ricky Elliot helped with much of the team's success by hurling two no-hitters. Hitting also was a strong point of the team's success. The sophomore team finished higher than the varsity and Junior Varsity both. One of the no-hitters was against Chaffey which had not been beaten until SBHS came along.

The girls competed on Tuesday, Wednesday and Thursdays. Some of the various sports were badminton, basketball, swimming, gymnastics, volleyball, archery.

Other activities sponsored by GAA included a welcome barbeque, cookie and cake sales, sports-nights and making the homecoming float, which came in third place at this year's homecoming ceremony.

Through the efforts of GAA you can see a type of girl who works for the best of all concerned.

When GAA first had their after school tennis class, there weren't quite as many girls as expected; however, as the tennis program neared its ending, more and more girls were there for its competitive course. The popularity of tennis grows each session.

Physical fitness tests were often dreaded, but at the end of all the various tests, the girls realized how important these tests are.

Physiology and Western Civilization are two new classes at SBHS. These classes stimulate interest among many students.

Physiology Lab is an intriguing class. The students delve into this science learning the function of the human body. Under the supervision of Physiology teacher Mr. Charles Wagner they subject plants and animals to radio-active isotopes to determine growth and development while under radio-activity.

Western Civilization is a class dealing the study of civilization of the west and extending to the Atlantic Civilization. Mr. John Conzelman emphasizes on teaching the students the customs and cultures of western man. The theme of this class is the development of democracy and freedom in the western world.

In 1966, the SBHS Challenge Bowl was undefeated and rose victoriously as Champions of Southern California. This year, 1967, the SBHS Challenge Bowl as Southern California's defending champions, entered their fifth year of Challenge Bowl participation. Although the Challenge Bowl was not able to be aired on "Scholar Quiz", the team spirit and confidence was overwhelming.

Once again the Challenge Bowl played against the faculty, Pacific High School, and the Challenge Bowl league. There were eight meets, playing two games against Eisenhower, Riverside Poly, Ramona and San Gorgonio.

Miss Joann Woodward is the SBHS Challenge Bowl coach and Dr. G. Keith Dolan is the advisor. Dave Gong leads the team as Captain and Carol Gaston, Dennis Anderson, Alfred Palazzo, Dave Sloan, Kelly Lorber, Bobby Cohen, and Jeff Cohen make up the Challenge Bowl team of 1967.

CONGRATULATIONS

FROM THE TYRO ANNUAL PATRONS

**ARROWHEAD LANES, MAXWELL & KING, F. L. HENN, SITE-PAK & LAMBETH REAL ESTATE**

As all worries concerning the 1967 Tyro fade out, a future for all opens up. Through the year the main source of help has come from those annual staff members who never failed to work overtime. It is to them, I wish to say, "We couldn't have done it without your tremendous help." The 1967 Tyro is a complete change from previous editions. Through the annual staff's creativity and willingness the book was dynamic challenge. I, along with the staff, would like to express my deepest gratitude to Mr. Regalado for the many hours of work and worry he has withstood. An annual can not be produced unless the staff has a certain amount of cooperation from many people. The staff of the 1967 Tyro would like to thank the following people for their greatly appreciated help: Mr. Jim Dutch, Taylor Publishing Company; Mr. Jack Cannicott, S. K. Smith Covers; Mr. Ralph Crowell, Harris Co. Photographer; Miss Ruth Meyers, S.B.H.S. Financial Secretary; Steve Thompson, staff Photographer; James Sweeney, Production Manager; Stephanie Anton, Business Manager.
